EDMC

Dear Mr. Wilson:

HANFORD FEDERAL FACILITY AGREEMENT AND CONSENT ORDER (TRI-PARTY AGREEMENT) "SUBMITTAL FOR FULFILLMENT OF TRI-PARTY AGREEMENT MILESTONES M-92-13 AND M-92-14"

The U.S. Department of Energy, Richland Operations Office (RL) is submitting document HNF-5068, Rev. 1, "Project Management Plan for the 300 Area Special Case Waste," to the State of Washington Department of Ecology (Ecology) as required by Tri-Party Agreement Milestone M-92-13. This document has been reviewed and concurred in by the affected Hanford contractors, Pacific Northwest National Laboratory, Fluor Hanford, Inc., and RL. Completion of this document satisfies the Tri-Party Agreement Milestone M-92-13, "Submit 300 Area SCW Project Management Plan (PMP) to Ecology pursuant to Agreement Action Plan section 11.5," which is due to be completed by September 30, 2000. This document not only provides the management plan which will guide the completion of Milestones M-92-14 through M-92-16, but it also identifies the total 300 Area inventory of Special Case Waste (SCW) upon which completion of those milestones will be determined.

In addition, the document also presents the information to indicate the Milestone M-92-14, "Complete removal and transfer, and initiate storage of Phase I 300 Area SCW wastes and materials," due September 30, 2002, has also been met. Ecology's concurrence that this documentation satisfies the requirements of the Tri-Party Agreement for Milestones M-92-13 and M-92-14 is requested.

If you have any questions, please contact Ellen B. Dagan, of my staff, on (509) 376-3811.

Sincerely,

George H. Sanders, Program Manager  
Office of Regulatory Liaison
